Introducing Effectv Streaming

PLANNING YOUR CROSSREACH ADVERTISING CAMPAIGN IS EASY

Advertisers can choose from over 100 audience segments across Effectv Streaming and linear TV to run a data-driven, efficient, and effective multiscreen campaign against their desired target.

Effectv uses insights from Comcast data to deliver messaging to an advertiser's target audience. With our multi-screen advertising solutions, you can reach the right households wherever and whenever they watch TV content.

Our primary source of inventory for Effectv Streaming is direct relationships with networks and programmers. Additional sources include Roku, AVOD platforms, and our in-house trading desk.
